

## Avoiding Risks in International Trade Transactions

26 March 2015, Thursday

JTJB Office

### ABOUT THIS SEMINAR

This seminar will highlight potential problems in relation to the two key instruments that form the foundation of international trade transactions: the Bill of Lading and the Letter of Credit.

The seminar will examine issues associated with:

- a) The release of cargo from the vessel without the presentation of the corresponding Bill of Lading
- b) The duty of a bank in examining the relevant documents presented to under a Letter of Credit and
- c) The description of the cargo not corresponding to the cargo delivered.
