

Essential Points to Note When Buying and Selling Property in Singapore

21 May 2015, Thursday
JTJB Office

ABOUT THIS SEMINAR

In purchasing and selling a property, buyers and sellers may be overwhelmed with the amount of paperwork and procedures involved during the transaction. It is important to understand the pitfalls before signing on the dotted line.

In this seminar, we will discuss the following points:

- a) Understanding the Additional Buyers' Stamp Duty (ABSD) and Sellers' Stamp Duty (SSD)
- b) Steps to ensure terms of contract are fair and not one-sided
- c) How to plan your finances when buying a property
- d) A lawyers' role and the procedures involved in property transactions
