

Ship Collisions

Recovery of Repair Costs, Expenses & Damages

The recovery of repair costs, expenses and damages arising out of a collision by the innocent party should not be taken for granted. There are situations and factors that can result in recovery being limited, reduced or even completely disallowed. The seminar will examine the problems that can arise and the issues that have to be considered in order to maximize recovery.

The seminar is by invite only. Attendance is free but intentionally limited to a small group not exceeding 20 people to facilitate discussions.
